

## FL-ATEX-150W-A3D40D30

### HIGH PERFORMANCE IN DEMANDING ENVIRONMENTS

Finlight ATEX-150W-A3D40D30 is a fixed explosion-proof luminaire, ideally suited for hazardous environments and marine applications. The luminaire is built to withstand harsh conditions ranging from moisture, dirt and dust to extreme temperatures and corrosion.

The luminaire's wide range of optics and mounting options guarantee it can perform excellently and produce high quality lighting under all circumstances. Constructed from copper-free aluminum and finished with a marine-grade, corrosion resistant powder coating, ATEX-150W-A3D40D30 promises durability and a long lifespan.

### SUITABLE APPLICATIONS

- Loading docks platforms
- Offshore environments
- Power plants
- Paper mills
- Heavy industrial & Storage facilities
- Wastewater treatment plants
- Chemical processing facilities
- Petrochemical processing facilities
- Metallurgical industry
- Coal mines
- Food and alcohol industry
