\* WIĘCEJ SZCZEGÓŁÓW:

instrukcja zawiesia do uchwytu LED

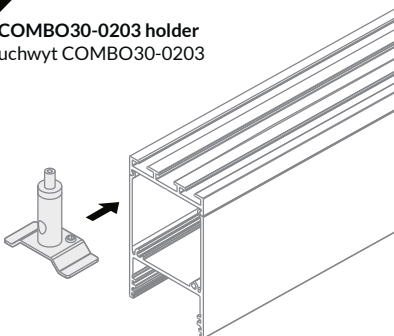

In case of mounting even long lighting fixtures, a set (two slings) is enough.

However, it is recommended to use an additional sling to increase stabilization.

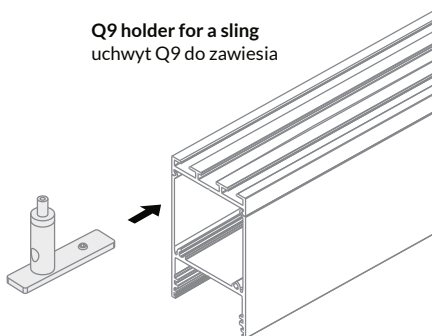

W przypadku montowania nawet długich opraw oświetleniowych wystarczy komplet, czyli 2 sztuki zawiesi. Zaleca się jednak użycia dodatkowego zawiesia w celu zwiększenia stabilizacji
