

# Partnership Announcement

**APRIL 2025:** The Marine-Grade luminaire manufacturer **Finlight Group** (Finland) and **Corodex Trading LLC** (United Arab Emirates) have signed an agreement for the distribution and aftermarket services of specialized lighting solutions for marine environments.

## **Finlight Marine Grade Luminaires Are Designed for Extreme Conditions**

The Finlight Marine Grade range includes high-efficiency LED floodlights from the FL-CC series, offering a variety of optical lenses and power options for illuminating ports, terminals, industrial sites, outdoor areas, and offshore locations.

Finlight also provides expertise in smart lighting control, enabling additional energy savings while enhancing safety and helping personnel move efficiently and securely in port environments.

*"This partnership gives us access to projects in extremely demanding environments, where our products are designed to perform reliably", says **Petri Salminen**, COO of Finlight. "It also strengthens our direct export operations."*

## **Concorde – Corodex Group is one of the largest and most prominent B2B industrial groups in the MENA region**

Corodex Trading LLC / Corodex Marine provides a range of specialized products and services to the marine industry, helping ensure the safety and efficiency of marine equipment and operations. Corodex Marine is a trusted partner for companies operating in the marine sector.

*"Cooperation with Finlight provides us with high-quality products that have been tested worldwide – from Arctic conditions to extreme heat on the shores of the Persian Gulf – as well as state-of-the-art lighting control solutions", says **Arfan Huseino**, Regional Director at Concorde – Corodex Group.*
